*Kashif Pathan from Mumbai, suffered from 100% speech and hearing impairment. Despite his limitation, he excelled in studies scoring 86% in his school located in Mangaon, Maharashtra. He went on to complete his one-year course in cooking.*

*Since his school days he was fascinated by different cakes and pastries which he loved not only taste-wise but their attractive forms and colours made them more tempting for him.*

*He participated as a wild card entry due to his vast experience of working in a top notch Hotel in Mumbai and was selected out of the many participants through a comprehensive assessment process, to represent India in International competition. He is now looking forward to undergo rigorous advanced training to further hone his skills in Bakery and represent India in the upcoming International Abilympics skill competitions in 2023, in Bakery skill category.*
