Mohit Majety born in Vijaywada (Andhra Pradesh) had only 3 fingers out of 10 and also had problem in his right leg since birth, due to which he was unable to write properly and face criticism since his school days. However, with his determined self belief of never-give-up attitude to achieve his goals to overcome every challenge he faced in his life.

Today Mohit is a IIT Kharagpur (West Bengal) pass-out with a degree in Instrumentation Engineering. He also followed his passion for photography since his graduation days that helped him win a Gold Medal in East Zone Regional (Kolkata) and again a Gold medal in National Abilympics competition in Delhi (2018). Currently he is working successfully as Software Engineer with Genpact, Bengaluru.
